Because of other formaldehyde tasks, or other duties in IRIS?

David,

I will get back to you and Barbara in a few days; I am unable to spare the time for this right away.

Ravi.

Let me know if you want me to look at some existing text or if you have enough to together clarify the current evaluation.

I'll go ahead and cancel the 11 am meeting, as I think we are then finished with our review.

Paul's note below, sent before David's note, must have crossed with mine or I somehow did not see it. Thanks for going through it all in detail.

Ravi,

Ex. 5 Deliberative Process (DP)

I'll be traveling tomorrow and don't expect access to email until late at night. But if you send me the Swenberg 'bottom up' paper, I can get it then or on Monday and have a look.

Later,
-Paul
